Dear Potential Patron,

We hope this letter finds you well. We request your support for the upcoming 2023-2024 season of the Bunbury Players. As a company of volunteer theatrical artists in upstate New York, we came together to present live digital theatre during the COVID-19 pandemic in 2020. Despite the challenges, we were dedicated to providing easily accessible theatre free of charge for all to enjoy.

We are thrilled to announce our upcoming season, which includes an impressive lineup of plays that we believe will captivate and inspire audiences of all ages. Our performances will include *Rabbit Hole* (October 27-29, 2023 at The Albany Barn in Albany, NY), *A Festival of One-Acts II* (March 8 & 9, 2024 at The Strand Theatre in Hudson Falls, NY), *The Effect of Gamma Rays on Man-in-the-Moon Marigolds* (April 26-28, 2024 at The Albany Barn), and *Alice in Wonderland* (July 12-14, 2024 at The Strand Theatre).

These plays range from contemporary drama to whimsical fantasy, and we are proud to offer a diverse season that represents our audience members' varied interests and tastes. We promise to bring our passion and dedication to every performance and create an unforgettable experience for all who attend.

We are contacting our community for support to make this season a success. Your donations will help us cover production costs, from sets and costumes to marketing and promotion. Your generosity will make it possible for us to continue to offer high-quality theatre that is accessible to all, regardless of their ability to pay.

Thank you for considering our request for support. With your help, we can continue to grow and thrive as a theatre company and to touch the lives of many people through the power of live performance.

Sincerely,

Courtney Densmore

Bunbury Players Director of Development
